

The Leader in Lubrication Services

Oil Reclamation Services

High Velocity Oil Flush Services

In-Plant Services

The Leader in Lubrication Services

COT-PURITECH™ provides service solutions to all users of industrial lubricants. Our services span the entire lubricant life cycle, offering a full array of lubricant system start-up and commissioning programs, in-plant maintenance and outage services, and lubricant reclamation programs. Our goal is to provide fluid reclamation and maintenance services that always exceed our customer's expectations.

Oil Reclamation Services

Utilizing cutting-edge Oil Reclamation Technology, experienced **COT-PURITECH™** Technicians arrive at your plant to provide On-site Oil Reclamation Services. Whether the result of lubricant leakage, sudden contamination with water or particulate, or routine oil system changeouts, **COT-PURITECH™** will design an oil reclamation program for you.

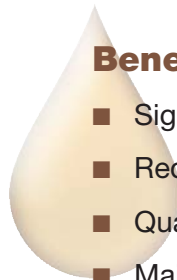

Oil Reclamation

- Hydraulic Oils
- Cutting and Quench Oils
- Gear Oils
- Water Glycol
- Paper Machine Oils
- Turbine Lube Oils
- Bearing Lube and Circulating Oils
- Honing Oils

Benefits

- Significant Cost Savings
- Reduced New Oil Purchases
- Quality Guarantee
- Major Oil Company Endorsement
- Improved Equipment Reliability
- Reduced Oil Disposal

In-Plant Services

COT-PURITECH™ offers a series of Preventive Maintenance Programs designed to reduce oil consumption and improve equipment reliability. Your **COT-PURITECH™** sales engineer will work with you to develop a reliability program specifically for you.

- Oil System Preventive Maintenance
- Reservoir Cleaning
- Contamination Control and Dialysis Filtration Services
- Initial Fill Oil Purification Services
- Oil Purification Equipment Rentals
 - Filtration Systems
 - Vacuum Dehydrators
- Lubricant Sampling and Trending Program
- Oil System Inspections and Recommendations
- Heat Transfer System Flushing

Benefits

- Increased Equipment Reliability
- Reduced Downtime
- Cost Savings
- Extended Lubricant Life
- Reduced Maintenance Expenditures
- Optimize Oil Cleanliness

“COT-PURITECH™ provides service solutions to all users of industrial lubricants.”
