

RELIABILITY SERVICES

January 30th, 2018

To Our Valued Customers and Suppliers:

I am happy to inform you that as of February 9th, 2018 **COLFAX FLUID HANDLING RELIABILITY SERVICES COMPANY** will be renamed **CIRCOR RELIABILITY SERVICES COMPANY**. This name change follows the recent acquisition of Colfax Corporation's Fluid Handling business by CIRCOR.

Our name is changing, but our commitment to providing excellent products and services under our CLARUS[®], COT-PURITECHSM, LSCSM, LUBRITECH[®], SICELUB[®] and Canadian Chemical Cleaning Services brands remains as strong as ever.

We have not changed addresses or legal entity numbers as part of this name change. Additionally, the name change will not impact business conducted directly with our wholly-owned companies: Clarus, Canadian Chemical Cleaning, Sicelub or Lubritech.

We kindly ask you to update your records with the information below and to address all business correspondence after February 9th, 2018, including contracts/PO's, to our new company name.
